In an effort to help meet our budget shortfall this year we are running with an idea brought forward at church council by our minister Marion Loree. It is a program using 141 special envelopes in the tartan box located in the church on the offering table. Each of the envelopes are numbered 1 to 141. We ask that you take one or more envelopes and insert the dollar amount equal to the number on the front of the envelope. There is an information note inside the envelope for you to complete to

obtain a receipt at year end. Once the filled envelopes have been collected we will mark them off the tracker board and we will have \$10,011. So...think about what special gift you can give to Melville - each amount will help us reach the finish line! Thanks so much - God Bless. To date we have received \$5,026.27.
