Thank you to all who have supported and are supporting our 141 envelope campaign! Your support of this project will help us meet our budget for 2016 and allow us to complete some general maintenance projects that we have been putting off for a couple of years. Many of us have found that when we continue to put off the small jobs, they can grow into big deals. Our new total is \$7,948.27 - we are within the reach of meeting our goal. There are a few envelopes in the main hall by the chapel... can you help us reach for the top? Thanks for all the donations received to date...God bless you all for your generous gifts to Melville.
