Update on our Melville prayer shawl ministry: The prayer shawl ministry here at Melville has been a great comfort to many who receive one. We would like to thank the crafters who knit or crochet these while keeping a prayerful mind of the one who may receive it. Recently, we have been asked that the prayer shawls be made larger for wrapping around someone; the new recommendation from the Pastoral care committee is that dimensions should be a minimum size of 30" x 60".

Melville United Church Council is proud to announce that Martha Duncan has been hired as our new kids' church leader. Martha will continue in this role until June 2020 with the possibility of extending her service if mutually beneficial to do so. We thank Martha for stepping forward and filling this important role for us for the past year and into the future. Also, a big thank you as well to the search committee members for seeing this process to it's conclusion.

Once again we are conducting the 141 envelope campaign. We have set up the box of numbered envelopes for you to be able to choose the amount that you are feel comfortable donating as a special gift for Melville this year. If all the envelopes are filled and returned we will gather \$10,011.00 for the budget shortfall. The box will be in the sanctuary on Sundays and in the photocopy room weekdays... the chart will be updated each week after offering. God Bless you all for your support of Melville.
