

If you are worshipping with us for the first time, welcome!

Please sign our Guest Book at the back of the church or in the entranceway and join us for coffee in the parlour after the service.

During July and August Kids' Church will not meet as a group, but there will be self-directed, quiet activities in the sanctuary, each Sunday, for children to do. The Nursery will also be open if parents wish to supervise their children during worship.

Have a great summer! See you September 8! - Martha

Host Home Needed

CW Ministerial Association looking for a Fergus host home for a First Nation student going into grade 10 and wanting to attend CWDHS this coming school year. His community of Fort Hope only has grade 9 and the next closest school is in Thunder Bay where a lot of First Nation students have experienced racial prejudice and violence. Fort Hope and Grace Christian Fellowship are hoping to partner by providing a safe community for First Nation students to get their education. This year there are two students coming and one has a host home already. We are looking to have more students in future years.
