

An Update from the Worship and Music Committee

News of the 100th Anniversary Banner

It is a delight to hear that the 100th Anniversary Banner is being passed around by the 11 churches that took part in the special Celebration hosted by Melville. Often the Banner is used when one of the Congregations is celebrating a special event.

Some of the representatives from the 11 congregations met to discuss the possibility of gathering to come together in the hopes of continuing the bond that began with the planning of the 100th and the decision is that an afternoon in the Park will be held at the Arthur United Church from 2-4 pm. The date and further details will be available in the spring.

“Then Let Us Sing” is a new United Church song book that was introduced to celebrate the 100th Anniversary of the church. Arrangements have been made to order a book for our Organist, Colleen and Pianist Suzanne, and you can be assured that in the coming months the Choir and Spirit Sings will present a selection or two from the book.

Looking ahead: Melville will be hosting the World Day of Prayer service in March and the congregations in Centre Wellington will be participating in that service.
