- **Melville United Church- Contact information for Newsletter**

We are looking to distribute Melville's newsletter by email to those interested in receiving it. We would like to be more environmentally friendly, also there is a cost to print and mail the newsletter in envelopes, which adds up over the course of the year. We have many people getting the newsletter by mail, largely because we don't have up to date contact information.

Lan, our office administrator, has created an email list specifically for the newsletter. If you would like to receive only the newsletter, please provide your email address to [ksmillie00@gmail.com](mailto:ksmillie00@gmail.com) or call Karen Smillie at 905-301-5599

If you don't have access to a computer, we will make sure you continue to receive a hard copy by mail if you let us know. If we don't hear from you, we can assume you are not interested in receiving the newsletter.

We appreciated your assistance!
